Fliers will be provided at the January Roundtables or can be picked up at the Yucca Council Service Center. Contact your District Executive for assistance on getting fliers.

Collection Areas should be coordinated with your District Scouting for Food Coordinator at the January Roundtable. This will help avoid overlaps of streets and neighborhoods for collecting cans of food. Each unit is requested to mark off an area on a city map. You should start your pick up early enough to make it to the drop off points before 3:00 PM.

Uniforms Please have your Scouts wear their uniforms & OA sashes for this annual Scouting Community Service Activity---Scouting for Food, one of the nations largest food drives.

Ribbons will be presented to units on Sat. Feb 11, 2012, or at Roundtable in March.

Service Hours should be logged by each unit and input to the Good Turn For America web site www.goodturnforamerica.org. You can get your unit ID from the Yucca Council Office.
